YOU COULD WIN A BROWNING IN THE ONGOING SHOW US YOUR BUCKMARK CONTEST.

From John Calandro III - TSCA President

Cool Breeze!

Happily we are working our way through the end of the summer. Officially Labor Day marks that joyous occasion, as well as the home stretch for the Sporting Clays season.

The final TSCA State Championship is only 10 days away. This competition promises to offer a little of everything to everybody. If you're a veteran or novice FITASC shooter, **Robert Crow** will be setting a **150 target course that can be shot over a weekend, or all together Friday**. Three parcours in the AM with a lunch break and 3 parcours in the afternoon.

5-Stand targets will be available in 50 bird competitions all three days.

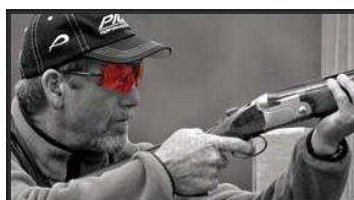

Sporting Clay events will be offered Saturday and Sunday. If it is small gauge you crave, targets will be available in each gauge all weekend.

Think you're a crack shot? **Snooker** will be available throughout the weekend to show off your skills and pick up a few bucks for your efforts!

State competitions would not be complete with out Texas hospitality and that will be available in large quantities! The popular TSCA comfort stations will be stocked all 3 days with water, Gatorade, and snacks, thanks to the sponsorship of **Merrill Lynch and Blaser**. Both of these sponsors have been generous to our associations shooters and should be recognized for this undertaking.

Thursday night will be the 2012 pick night for our esteemed range owners. The rangeowners will be treated to an all you can eat rib dinner that is a hit with all the locals. If you're in the area on Thursday about 5:30,

Beaumont Ranch invites you to join us for this \$12.95 special.

Friday is the famous Fish Fry that will be open to all shooters for the same price, complete with entertainment and fun in the big pavilion.

Saturday night Rock Creek will be hosting a reception in the main dining facility for the shooters. **Drawings will take place continuously and rumor is Elvis may be in the house!**

As we close in on the event, FITASC scheduling will get more difficult, so come join the 100 shooters that have already pre-registered for this **TSCA money added pot**, and join the fun!

Some extra notes from Tony:

- *The Prelim and the Sunday Main sporting clays event will be shot on a completely new course. We have a new all-weather road along a natural break that provides for some really good views and terrain.*
- *The Pursuit TV Channel is planning on videotaping the Texas State FITASC for cable television.*
- *Come shop for a deal on a 2011 Polaris Ranger or a new 2012 model. A Metroplex dealer will be on the grounds with various models of the smoothest riding, shooter haulers in the business.*
- *Cabela's is now partnering with Rock Creek Clays and we promise the goodiest of goody bags. Take a look inside before you head to the round file with this one.*

NSCA Texas Delegate results;

Congratulations to incumbents Vance Barnes, Donna Lewellen, and Johnny Meitzen and new comers Scott Robertson and Rick Storey for being chosen by the Texas shooters to represent us with the NSCA the next two years!! They are all to be congratulated for their service and will make us proud!

On a final note, we have had the blessing of an economy that has allowed us to support our ranges and enjoy our sport. Be sure to take the time to visit some of the new clubs and the clubs that have opened recently to see what their unique offering maybe. I had the fortune to visit [Rough Creek](#) this past month and was pleasantly surprised at the efforts they are making to attract the Texas shooters. The Resort is a can't miss if you have the time to spend a night and enjoy their fine Texas Cuisine dining experience. The course layout has a fine terrain and a great pavillion for a delicious barbeque experience at lunch. I was happy to see the club attract 70 shooters on this hot day, but promise those numbers will explode over 100 as they seek to spread out their events over the course of a year, and all it will take is one trip to hook you as a regular!
